

ADVERT FOR VOLUNTEERS AND NON –EXECUTIVE DIRECTORS

HEALTHWATCH MEDWAY IS RECRUITING VOLUNTEERS!

Healthwatch Medway is the independent consumer champion for health and care in Medway. Its role is to listen to local people, and to collect and share their experiences with those who buy and sell health and care services. This is to help local people get the best out of local services; whether it's improving services today or helping to shape them for tomorrow. Volunteers are central to the work of Healthwatch Medway, and if you would like to get involved and make a difference, we'd like to hear from you.

NON EXECUTIVE DIRECTORS

The Board of Directors of Healthwatch Medway CIC is inviting expressions of interest for Non-Executive Directors to join the Board.

Non-Executive Director posts complement those of the existing Executive Directors, providing independence and assurance that the community's interests are being served, at all times, by the company's activity.

We want to hear from people with the skills and motivation to take a leading role in supporting the development of Healthwatch Medway and providing strategic leadership to the organisation. We are particularly interested in hearing from young adults.

Application is by CV and an accompanying statement, explaining your interest and motivation in applying, and what you believe you can contribute to Healthwatch Medway.

For an informal discussion about the Non-Executive Directors roles please contact Dr Mark Beach (Independent Chair) on 01634 843366
